

# Send in student's artwork to be hung in the Capital halls!

April is Child Abuse Prevention Month. The Montana Children's Trust Fund would like to invite schools from across the state to send in artwork to hang in the Capital halls.

We encourage the following for artwork:

- Blue (the color of Child Abuse Prevention)
- What a happy, healthy childhood means to you
- Pinwheels (the symbol of a happy healthy childhood)
- How you or your community is involved in strengthening families

Please send a folder of artwork to Kami Kirchberg at  
2401 Colonial Drive, Helena MT 59601 by March 28th.
